

# INDUSTRIAL FIELD REPORT

## GARBAGE TRUCK - CAB ROOF AND CAB SPLASH GUARD

### 1 SITUATION

A Truck Cab left unprotected from spillage promotes rapid deterioration due to corrosion.

### 2 SOLUTION

LINE-X® XS-100 sprayed as a base coat to protect from deterioration due to corrosion. Finished with LINE-X Xtra® color-coded coating fortified with DuPont™ KEVLAR® to enhance durability and gloss retention.

#### CAB SPLASH SHIELD

1. Sand Blast to SP-5 finish
2. Prime using SF 5-15
3. XS-100 Base Coat
4. LINE-X Xtra finish coat

#### CAB ROOF

1. Prep cab surface
2. XS-100 Base Coat
3. LINE-X Xtra finish coat

### 3 COST

<b>CAB</b> (approx)	\$875.00
<b>CAB SPLASH SHIELD</b>	\$1075.00
